To Whom It May Concern:

Gautam Thakur is a doctoral student in the department of Computer and Information Science and Engineering at the University of Florida. He will be doing a research internship at the Walt Disney Company in Zurich from May 10 – August 24, 2012. After finishing the internship, he will come back and continue his Doctoral studies for his degree. He is in good standing at this university. If you need more information, feel free to contact this office.

Sincerely,

John Bowers
Program Assistant for Graduate Studies
